

The screenshot shows a mobile application interface for managing clients. At the top, there's a blue header bar with a menu icon (three horizontal lines) on the left and a gear icon on the right. Below the header is a large blue section containing the title "New Client". The main area is a white form with several input fields. On the left side of the form, there are three labels: "Organization", "Email", and "Phone Number", each followed by a text input field labeled "Username". On the right side, there are two labels: "Client Name" and "Alternate Number", each followed by a text input field labeled "Username". At the bottom right of the white area, there is a button labeled "save & exit".

Organization	Client Name
<input type="text" value="Username"/>	<input type="text" value="Username"/>
Email	Alternate Number
<input type="text" value="Username"/>	<input type="text" value="Username"/>
Phone Number	
<input type="text" value="Username"/>	

save & exit
